* Students should work with Dr. Hough to make sure that they will complete the prerequisites for the required courses.

Notes:

SBC = Supporting Business Course
IL = International Business requirement

PSCM students cannot concurrently major in the Bachelor of Science in Business (BSB) program, nor are they eligible to earn the Business minor. Program entrance-to-Major (ETM) courses are ACCTG 211; ECON 102; ENGL 15; MATH 110; STAT 200 or SCM 200. All of these courses must be completed in semesters 1-4; students must earn a minimum 2.0 GPA.

¹ International Business: Students may use MGMT 461, MKTG 445, or IB 303 to fulfill this requirement.

² Supporting Business Courses: Students may use BA 321 and BA 322 to fulfill these requirements.

³ Elective: Students may take MIS 404 as an elective course to fulfill the requirements of the ERP Certificate with SAP.
