

ASSOCIATE DEGREE PROGRAMS AT PENN STATE GREATER ALLEGHENY

Prepare to enter the workplace or continue your education after graduation.

The Programs

- **Business Administration (A.S):** Through course work in areas such as Accounting, Marketing and Management, you will have a broad understanding of today's business environment. Our faculty bring current issues into the classroom, giving you the theory and the practical experience you need as you seek to advance in a current job, or establish a new career.

- **Criminal Justice (A.S):** This program will help you develop an understanding of the three branches of criminal justice – Courts, Law Enforcement, and Corrections. You will also develop an understanding of how law, public policy, and behavioral science intersect in the criminal justice field. Graduates can pursue entry-level positions, or continue on to earn a Bachelor's Degree in Administration of Justice.

- **Information Sciences and Technology (A.S):** Information technology is a fast-growing career field, and this program is designed to prepare you for immediate employment opportunities or career advancement after graduation. You will study technical topics such as database, web, and multimedia systems, and work to develop collaborative skills essential in a team-based field.

#BeGreater in the Future

- Under the guidance of our faculty, you will be ready to explore careers in the private or public sector.

- A Penn State Degree is widely recognized and respected by employers.

#BeGreater at Greater Allegheny

Why Penn State Greater Allegheny?

Your college experience will #BeGreater here. Our hashtag is not just a play on our campus name. It's our commitment to you. Everything we do is done so you can discover and apply new knowledge, gain strong leadership skills, find mentors, meet people, and prepare for a rewarding and fulfilling career.

Faculty Involvement

With a student to faculty ratio of 9:1, your professors will recognize you and know you by name. Their interest in your success will go beyond the classroom. You can meet with them in person during office hours or virtually online. When it is time for you to gather letters of recommendation for scholarships, or jobs, they will be able to speak to your academic and personal strengths.

Career Services

From your first day on campus, through graduation, and beyond, you will have access to staff interested in your success. You will receive guidance to develop your resume and cover letters before attending university and regional career fairs. You can participate in a mock interview before visiting an internship or job site.

A World Class Education Within Reach

A college education is an investment in your future. Our Admissions and Student Aid Team can help you explore and understand the financial aid and scholarship application process. Special programs at Greater Allegheny such as our Digital Fluency Project help to reduce out of pocket expenses for books and personal computing devices.
